

August Newsletter 8/21/23

Good Afternoon Innovation Tech Families. I want to remind you of our upcoming events this week.

**Tuesday, Aug. 22nd** will be our Open House. Open House will start at 6pm in the event center. We will review school expectations and changes to the Code of Conduct. We will also have our Annual Title I Parent Meeting. You will then move through your student's schedule, move from class to class, and meet the teachers. Please bring a copy of your child's schedule with you to Open House. You can have your child write out their schedule or you can see it on Parentvue. Open House begins promptly at 6pm and will end around 8pm. Our campus is used in the evening for JTED classes. As you arrive to campus for Open House, JTED classes will be dismissing. Please plan accordingly. We look forward to seeing you there.

**Wednesday, Aug. 23rd** is Professional Learning Wednesday. Students do not have school on Wednesday. Teachers will be attending professional development sessions.

**Friday, Aug. 25th** - Junior Social after school in the Event Center. Student Council is putting on Class socials over the next two months. All Juniors are invited to attend their Junior Social this Friday. Only Juniors are allowed at this event. The social will be immediately after school from 3:10pm-4:10pm. Pizza and soda will be sold at the social. This is a time for students to get to know each other and have fun. Students must have their IDs to get into the social. Students without an ID will not be permitted to attend.

All students should have received their school ID by now. Please help us remind your student they are expected to always wear their ID on campus. The ID must be visible. This is a safety issue and ensures everyone on campus should be on campus. Students must have their IDs to get their lunch. Replacement IDs are available for a cost of \$3.00. Thank you for your support with this matter.

**Upcoming Events:**
