

*Happy New Year Innovation Tech Families. I hope you had a joyful, relaxing, and rejuvenating holiday break. We had a fantastic first day of the 2<sup>nd</sup> semester and are looking forward to see what students accomplish this semester. The new year brings an opportunity for us to reflect on our accomplishments from first semester and set goals for the second semester. As we start fresh, please review expectations with your students, reflect and have them set goals for themselves. I wish you a fantastic first week back. Below are a few reminders for January:*

- Our school day begins at 8am and ends at 3:10pm.
- Conference Period is every Tuesday from 2:30-3:10pm. This is a time for students to get individual support from teachers, catch up on work, or make up assessments.
- Wednesdays students get out at 2:10pm.
- After school tutoring will resume on Tuesday, January 16th.
- When dropping off or picking up your student, please be courteous and drive all the way forward, allowing more cars in the drop off bay.
- Monday, January 15th is Martin Luther King Jr. Holiday - no school on this day.
- Wednesday, January 24th is a Professional Learning day for teachers - no school on this day.
- Please complete your online registration through ParentVUE for the 24-25 school year. This ensures your student will be scheduled for classes for next school year.

Please email or call with any questions.  
Have a wonderful week!
