

Happy New Year Innovation Tech Families,

I hope you had a joyful, relaxing, and rejuvenating holiday break. We had a fantastic first week of the 2nd semester and are looking forward to see what students accomplish this semester. The new year brings an opportunity for us to reflect on our accomplishments from first semester and set goals for the second semester. As we start fresh, please review expectations with your students, reflect and have them set goals for themselves. Below are a few reminders for January:

Our school day begins at 8am and ends at 3:16pm.

Wednesdays students get out at 2:10pm.

After school tutoring will resume on Tuesday, January 21st.

When dropping off or picking up your student, please be courteous and drive all the way forward, allowing more cars in the drop off bay.

Monday, January 20th is Martin Luther King Jr. Holiday - no school on this day.

Wednesday, January 29th is a Professional Learning day for teachers - no school on this day.

Please complete your online registration through ParentVUE for the 25-26 school year. This ensures your student will be scheduled for classes for next school year.

Please email or call with any questions.

Have a wonderful weekend!
