

Good Afternoon Innovation Tech Families.

As we begin the final countdown of this school year, I am very grateful to all of our families for their support, kindness and collaboration. I appreciate our families who worked with us to ensure student success. I am thankful for our students for following our school rules, listening to teachers, and putting in the work to succeed. I am grateful to the teachers who have worked diligently and endlessly to continue to provide our students with engaging learning opportunities. I am also so very thankful for our staff who have provided unending support to all of us. We are truly a community. Thank you to everyone who called or emailed me with your questions, concerns, ideas, thoughts and to say hi this year. It is through this ongoing and open communication that we will be able to continue working together for our students.

Log in to your ParentVue to enroll your student for summer school. Summer School runs from May 28th-June 10th and June 11th - June 25th, 8am-2pm. Students must attend in person for summer school. Summer school is for credit recovery only.

All seniors participating in the commencement ceremony must attend rehearsal in order to participate in the evening ceremony. Graduation is on Thursday, May 22nd at 7:00pm. Our commencement ceremony will be held at Kino Sports Complex - North Soccer Stadium. There isn't a limit to the number of guests each graduate may bring; however, seating is first come, first served. You will not be able to reserve seats. Gates will open at 6pm. There will be a Clear Bag Policy that is strictly enforced for all attendees. No bags, no backpacks, no purses will be allowed in the graduation area. All guests are encouraged to carpool as

there is limited parking. Please see the map below for parking areas. If you plan to bring balloons or flowers for your graduate, please be considerate to those sitting around you and not block anyone's view of the ceremony.
