

Good Afternoon Innovation Tech Families,

I want to thank you, your students, and our faculty and staff for an amazing first two days of the 24-25 school year. It feels great to have students back on campus. The energy and positive attitudes from students is exhilarating. Students have been following campus expectations and it is appreciated. Thank you again for entrusting us with your student.

A few reminders as we move forward:

Please make sure to have your student pick up the laptop authorization form from their English teacher. We will distribute laptops in the next couple of weeks.

Students have been receiving their school IDs during lunch. Once your student has an ID, they will be expected to wear it every day. Please remind your student the importance of wearing their ID everyday for the safety and security of our campus.

Thank you for your patience with drop off and pick up. Please remember campus opens at 7:30am for students. When you drop off your student, please pull all the way forward in the parking bay filling in any space and then follow the one-way traffic flow to exit. When picking up your student, please pull all the way forward and follow the one-way traffic flow to exit. If you arrive before 3:16pm to pick up your student, you will be directed to park in the parking lot and wait for your student. We can't block Tucson Marketplace with our car line. If you don't want to wait in the car line, you are welcome to park in one of the dirt lots to wait for your student. You may not park on Tucson Marketplace to pick up your student as this blocks traffic. Thank you for assisting us with ensuring a safe arrival and dismissal for everyone. We appreciate you working with us as we navigate the parking situation.

Please review the student handbook and dress code information. Only water bottles are allowed in the classrooms. Any outside food or drinks must be consumed in the event center before class. Students will be asked to place cell phones in a phone caddy in their classrooms. We promote professional skills on our campus and encourage students to dress for success. Your support with this matter is appreciated.

Dates to keep in mind:

August 6,7	ITHS Class Assemblies
August 19	Picture Day (make-up ID day)
August 20	Open House: Start in Event Center 6:00pm
August 21	Professional Learning Day – No school for students
August 27	Senior Parent Meeting – 6pm
August 30	Senior Sunrise

Please visit [Innovation Tech High School website](#) and [follow us on Facebook](#) for additional information about events happening at ITHS.

Please email me any questions.

Have a wonderful weekend!

Patricia Hurley
