

Good Afternoon Innovation Tech Families. I hope your week is going well so far. Here are a few reminders for this week:

Parent-Teacher Conferences will be this Thursday night, Sept. 19th from 6-8pm. This is an in-person event. You will be able to visit with each of your student's teachers. The teachers will be sitting at tables in the Event Center. You do not need to sign up for in-person conferences. Conferences will be limited to 3-5 minutes to allow time for teachers to meet with as many parents as possible. If you are unable to attend Thursday evening, please reach out to the individual teacher and they will set up a time to meet with you. Our teachers look forward to meeting with you this Thursday evening.
